## MODÉLISME FERROVIAIRE

NEWSLETTER N° 20 du 21 juin 2018

### SUMMER COMES...

Dear Customer,

Quai Zéro show was successful and an opportunity to talk in live with many of you. And now, summer comes...

There is many way to enjoy the season : doing sports, walking in the country with your wife, or welcoming your children and grandkids : May be no time for modelling in a such programm ! Others will appreciate the hot weather and the possibility to solder, glue, sand or paint outside or all windows open, without bad dusts or smells ...

CHREZO shop stays open and still proceed the announced projects. In the following pages, please find all the last informations about available items and further products.

Enjoy your reading and a nice summer !

### SCHNELLENKAMP :

The SNCF ex-Ulm run (250 pieces) was successfully welcome by you and only 7 models are still available in shop !

Item Nr S63227-2 : pre-UIC SNCF letterings, black frame and red body.

Unit price : **160,00 €** incl. VAT

The **UIC gondola sample** in SNCF 1962-1968 was shown in Quai-Zéro and 70 pieces are booked yet: only 30 pieces are still available in CHREZO shop, at the unit price of **140,00 €** including VAT.

Unfortunately, it is too late to design other liveries as the former « brun unifié » or the last UIC lettered : the manufacturing is now on the way !

### **BRAWA :**

During 2017 Toy Fair, we ordered 450 SNCF tank cars to the german firm Brawa. Today it could appears as optimist but the deal was 150 pieces of each livery or... nothing !

Paint schemes are authentically design from actual pictures. However, our stock stay high and this money can not be invest in other projects... Please, support our business while you improve your collection by purchasing these 4 items ! During summer, shipping costs for the E.U. are only 8 euros for these 4 cars.

Réf. **37216**, Reefer car SNCF STEF, marquage UIC

Prix : **125,00 €** TTC

Réf. **37264** : SNCF / Ugilor, époque 3.

Prix : **115,00 €** TTC

Réf. **37265** : SNCF / Naphtachimie, époque 3.

Prix : **115,00 €** TTC

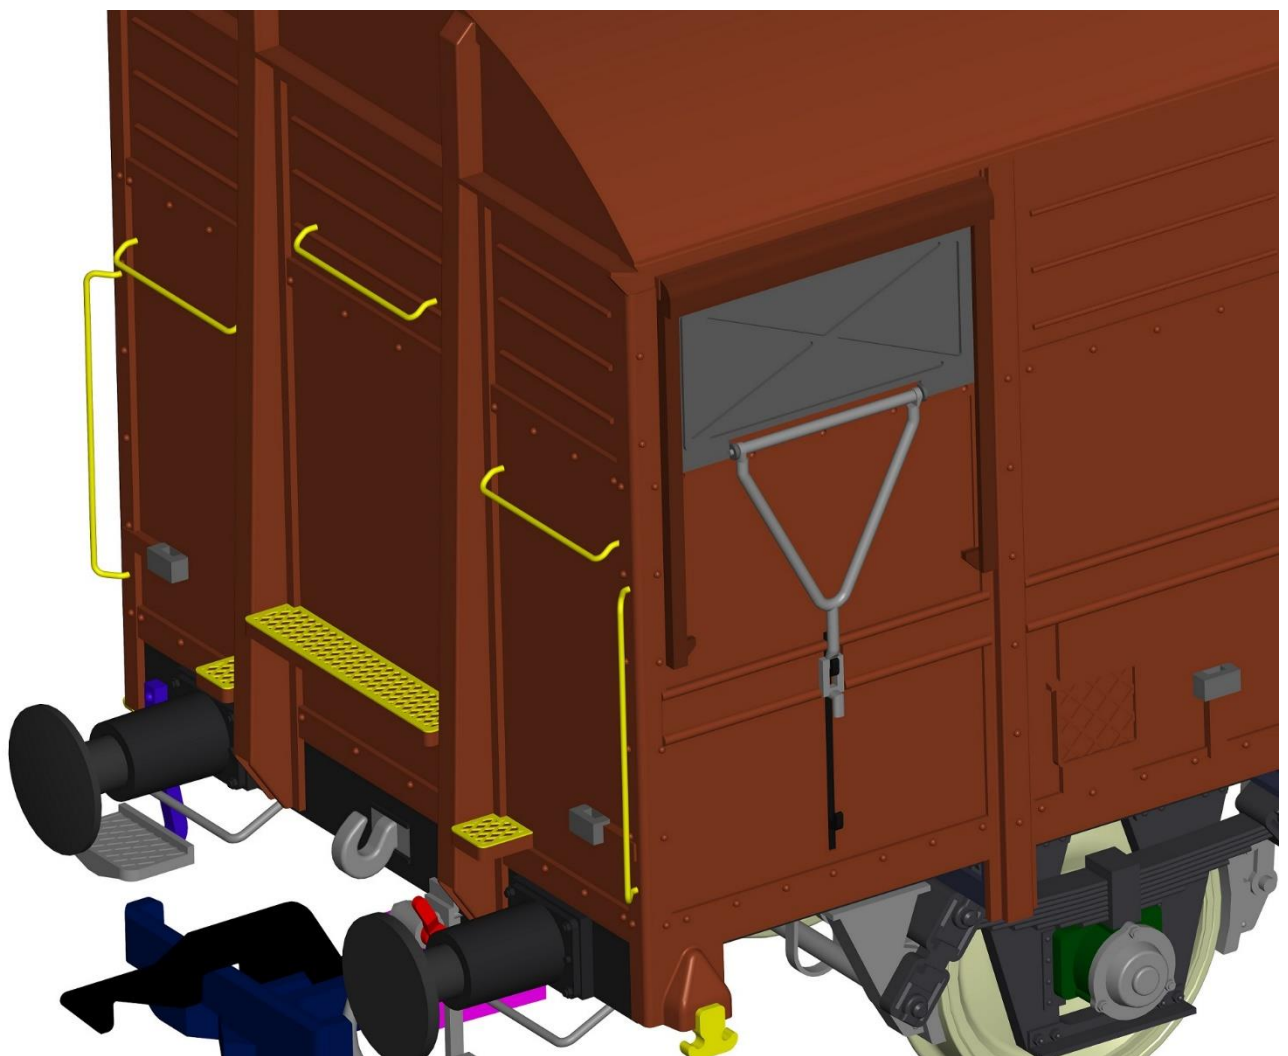

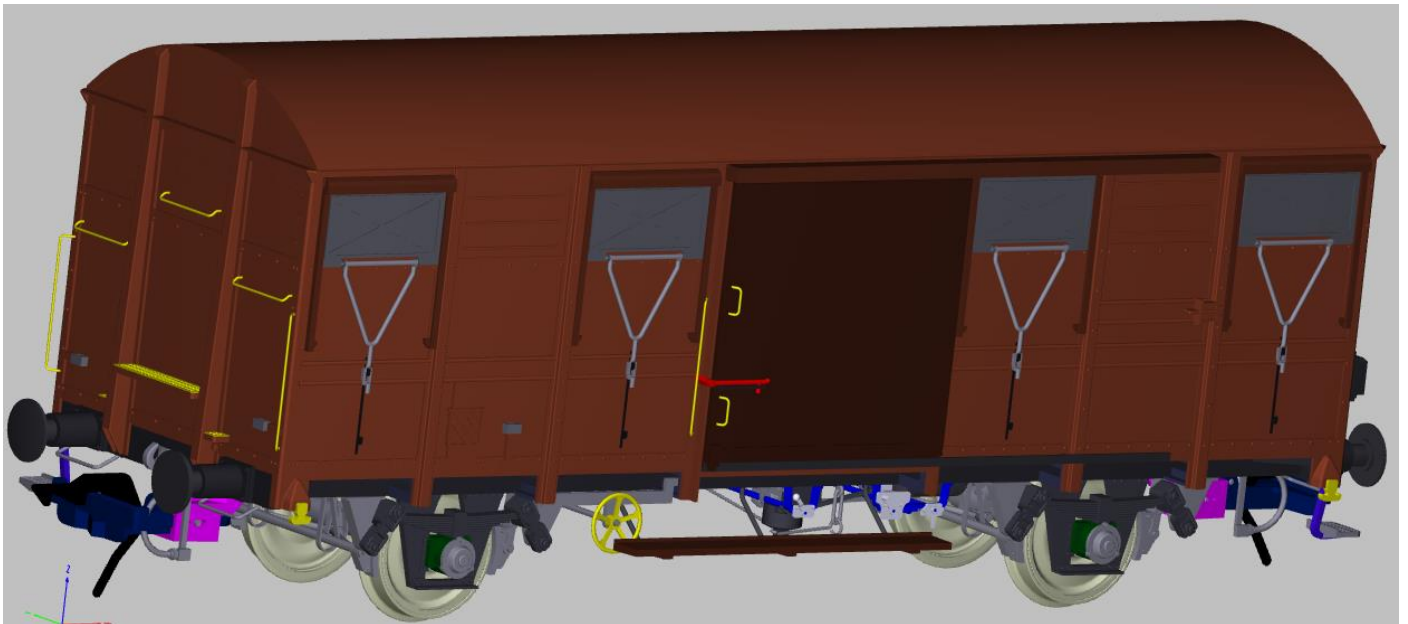

Réf. **37266** : SNCF / Lambiotte, époque 3.

Prix : **115,00 €** TTC

**LENZ :**

With our partner Hobby 66, its french distributor, we have validated many projects. The **Gs4-02** freight van design is now agreed and the model should as seducing as the Gs4-01 was two years ago. Lenz makes a real effort and some parts as steps are photoetched.

The first decorated shells of the SNCF Prussian cars were shown to us last week. The yellow black umbered lettering is really amazing. However, we asked a little bit more orange yellow. Manufacturing runs are limited to 50 pieces of each item : it's better to book...

**TM-DEBRUSH :**

We received some « Potasse d'Alsace » gondolas, painted and lettered by the German craftsman Thorsten Münsterkötter on the famous K25 Schnellenkamp's model, available in two versions.

Standard version

Price : **149,00 TTC**

Weathered version

Price : **169,00 TTC**

## **MTH :**

International political gesticulations underway raise fears of new customs rules for products imported from the USA...

So maybe it's still time to take advantage of current prices of the latest European stock items in Columbia !  
CHREZO bought most of them all !

Item Nr. **22-3528-2** : locomotive 150X198 SNCF, 2-rails Fine Scale, **1400,00 €** (3 pieces)

Item Nr. **22-60027** : OCEM SNCF 1962 set, 2 rails Fine Scale, **500,00 €** (5 pieces)

Item Nr. **20-60018** : Rheingold DRG 1928 set, 2 rails Fine Scale, **500,00 €** (3 pieces)

All these items are now in stock at CHREZO shop and definitely sold out in MTH warehouse

More, 2 models of SNCF 141P steamer from Chaumont shed, black livery without stripes, item Nr **22-3488-2**, are now in stock, unit price **1450,00 €** (all these MTH items prices are including VAT – 17.00 € shipping fee to E.U. countries)

Visit us at eBay <http://stores.ebay.fr/Du-zero-a-linfini> or in our e-shop : [www.chrezo.fr](http://www.chrezo.fr)

I stay open to any suggestion or request, in order to make our hobby in progress !

Best regards

Joël RASSCHAERT
